

RIVERSIDE PRESBYTERIAN PRESCHOOL

Snack and Birthday: Bella

On **Tuesday, October 31**, children and parents will meet here at preschool at **9:00 am**. The children should come in their costume, they'll have their picture taken, and then we'll caravan to retirement home Cantata. Cantata is located at 8700 31st St. in Brookfield across from the zoo. We will be singing songs and bringing joy to the residents in Wye Valley. **Siblings are welcome to join us at Cantata and the zoo!**

On **Thursday, November 2**, parents/caregivers and children will meet at the Brookfield Zoo's Seven Seas at **10:45 am** to visit our adopted friend Magic and hear preschool mom/dolphin trainer, Nicki Booton tell us about Magic. The zoo is free that day, but parking isn't. You may want to car pool. See email of 10/12 for more details.

We will continue to go outside for our large motor activity when it isn't raining or too wet until the weather gets too cold so please dress your kids accordingly. The kids love playing outside!

Activities

Theme: Dolphins

Last week we continued to learn songs to sing for the Cantata residents, made a pumpkin craft, a candy corn craft, identified words that begin with 'e' and learned about the chemical reaction of baking soda and vinegar.

This week we have two field trips! (See above.) Wednesday we will learn about dolphins and make a scarecrow craft for our bulletin board. (Next week we will continue with our letter studies.)

Math

In math we will be working on number recognition and matching.

Science

We will meet at the zoo and learn about dolphins.

Home Connections

Ask your child to tell you some things they learned about dolphins.
