Theme: Dinosaurs

Last week we made a map where X marks the spot, a hook hand, went on a treasure hunt, read a pirate book that focuses on positional words, and had a dentist, Dr. Gina from Orland Dental teach us about caring for our teeth.

This week we will work on making portraits of our dads and learning some new songs. We will learn about dinosaurs, too.

This week's Word Wall words are: go, sit, eat.

Language Arts

We will learn the letter 'p,' work on letter identification and letter sounds at the beginning of words.

Math

We will be tracing numbers, measuring, comparing and making tangrams dinosaurs.

Science

We will learn about dinosaurs.

Home Connection

Look for signs of spring outside.
