

What a Week! April 19 Edition

A look ahead...

This week we're stepping off the earth and into outer space. So many things to learn and do!

We're welcoming Mr. Doug and Auntie Jessie as guest readers.

Last call for Grandparents' Day! If you haven't already, please let your teacher know NOW if anyone will be attending so we can have the right supplies available.

FRIDAY is 11AM dismissal for ALL STUDENTS.

Update on Mrs. Rodriguez:

She has battled the latest cold and is now scheduled for surgery on Thursday, May 2. Please continue to keep her in your prayers.

She sends much thanks and appreciation for all of the ways you reached out to support her, and especially for donations to the Go Fund Me so her salary could continue through her time away.

Only 25 more days of school! If your child hasn't had a special guest visitor and you want to do so, please see a teacher to get it on the schedule!
