RIVERSIDE PRESBYTERIAN PRESCHOOL

Snack and Birthday: Piper

Parent Readers: Tues. - Susie Paredes, Wed. - Katie Minaghan

Show and Tell (Thursdays): Danny and Reed

Registration for next fall has begun! Families of returning students, please complete a registration form so that we can save a spot for you.

Save the Dates: Thursday, February 8, Parent/Teacher Conferences. Look for a sign-up sheet at sign-in this week. Also look for parent reader sign-ups at sign-in. You will have the opportunity to come read to the class during snack time (9:40 and 10:00 a.m.)

Show and Tell continues this week on Thursday (see names for this week above). Each week two children will have a turn to bring something from home to tell their snack mates about. We usually recommend that the object be something that the child can carry. (We're open to pets if they are well behaved and a parent stays with them.)

Language Arts

We will work on the letter L.

Math

We will be counting to 50 by 1s, 2s and 10s. We will also work on patterns and number recognition – especially the 5 and 0.

Science

We will test different materials for their ability to melt ice.

Home Connection

ice melting activities.

Activities

Theme: Polar Animals

Last week we made "stained glass" mittens and mittens for our bulletin board. We laced mittens, matched mittens and play games with the letter 'm.'

This week we will learn about polar animals, sing an "I'm a Little Penguin" song, and have a pretend snowball fight. We'll celebrate 50 days of preschool with a parade around the church in our 50s glasses and streamers. We will have 50 (small) snacks, do some activities 50 times and throw balls at the number 50 in the gym.
