We have purchased some fun children's games, balances and art supplies with our fundraising money. We also used some of the money to fund our field trip to the Riverside Arts Center.

Theme: Butterflies and Symmetry

Last week we met at the Riverside Art Center and made a clay craft, learned about turtles, and the Hinsdale Humane Society taught us about approaching dogs safely.

This week we will read, "The Very Hungry Caterpillar," make a hungry caterpillar craft, learn about symmetry and make a symmetric butterfly. We will also begin our preparations for Mom's Night.

This week's Word Wall words are: yes, my, day

Language Arts

We will learn the sound and symbol for the letter 'y.'

Math

We will be patterning, counting and number recognition.

Science

Butterflies, symmetry, and metamorphosis.

Home Connection

Have your child help you to identify things that are symmetrical.
