Welcome to new student **Cora Morganegg!** Cora will be joining the threes class this week. We're so happy to have you join us!

Activities

Theme: Snowmen

This week we will make a snowman craft that has a letter of the child's name on each circle and a melted snowman craft. We'll play a game where the child puts an object that begins with the letter 'k' into a kangaroo's pouch and another game where the child identifies which of the letter 'k' objects is missing.

Language Arts

We will work on the letter K.

Math

We will work on matching shapes, counting the number of letters in our first names and number recognition.

Science

We will make and talk about frost.

Home Connection

Look for places where you find frost.
