

Volunteer Opportunities

Fundraising Committee - Annual fundraising helps keep RPC preschool affordable for families and facilities up to date. Fundraisers can be as varied as a book fair with raffle baskets to a Trivia night or Texas Hold-em Poker night. The annual fundraising goal is \$5,000.

Play Yard Clean-up – The committee cleans the ride on toys, sand toys and storage bins. The volunteers will also clean out the debris and remove leaves/branches from rubber mulch and sand box and weed the flower bed. The approximate time commitment is 2- 3 hours.

Aluminum Can Recycling – The preschool community of family and friends collect aluminum cans for recycling and the proceeds are donated to BEDS Plus to support local homeless people. The volunteers bring cans to a recycling center and the funds are given to the preschool director. The approximate time commitment is 45 minutes per month.

Teacher Appreciation Committee – Two to three adults work together to coordinate appreciation activities (ex. lunches that parent volunteers provide for the teachers) and gifts (ex. at the holiday program and at the end of the year performance/graduation). The approximate time commitment is 3 hours.

Holiday Program/End of the Year Program – Work with the director to determine activities, secure supplies, set-up and clean-up for our special events. The approximate time commitment is 2 hours per event.

Compost Bin - Keep an eye on the bin to be sure the mix is right and the plants are watered to keep the worms happy! The approximate time commitment is 30 minutes per week.

Other! Have a talent to share that's not on the list? Let us know!
