Last week we finger-painted a muddy pig, made a cotton ball painted sheep, played farm bingo, and used balancing scales to weigh and balance corn, hay and little farm animals.

This week we will make a Lego stamped corn craft and make turkey tracks. We'll have a feast and talk about things for which we are thankful.

Enrichment: *This week we will learn more about being thankful, make a color matching turkey craft, have a relay race to fill a turkey with pompons, and we'll walk to the library (weather permitting).*
