## Activities

*Theme: Fall Leaves*

*Last week we made a spider hat craft to wear on our ghost hunt and saw cool dry ice/bubble science. We visited Cantata, sang, and brought joy to the residents on Halloween.*

*This week we will be making a couple of fall leaf crafts, Miss Diane from the Riverside Library will visit and read to us on Wednesday. We will be graphing and categorizing leaves. We will learn about absorption by drawing with markers on coffee filter leaves and dipping them in water.*

**Enrichment:** *This week we will learn more about leaves by visiting the library (weather permitting) to look at leaf and fall books, making salt dough and making a leaf print in the dough.*
