

What a Week! News of April 21

Butterflies and bugs! That's what we'll explore as Earth Week continues next week.

Field Trip Friday!

The Zoo opens at 10am. We will meet at our adopted animal Cinnamon's enclosure in the Hamill Family Wild Encounters at 10:15 to learn about the llamas. At 11:00am, you are free to explore on your own (leave when you wish) or, if your child is a STEAM Team buddy, head back to RPC until 1:00pm.

Let us know if you need help with a pass, transportation, or will not be in attendance.

**Llama Mama Luau
6pm on May1!**

Last call for guest readers! Only 25 dates to choose from. Parents, grandparents and any other loved adults are welcome to visit!
