

What a Week! May 3 Edition

A look ahead...

This week is all about butterflies, bees and other bugs. Just in time for the cicada invasion! 🐛

Our Painted Lady caterpillars have arrived. Watching them grow and then releasing is always a highlight of spring.

Guests this week are Mr, Doug, Miss Kathi, and Ms. Francesca all reading and Nurse Mary teaching about first aid.

Please come to
Ladies' Night at Preschool
Thursday, May 9
6:00 - 7:00 pm

You'll meet my friends, play with my toys, and hear me sing some special songs. We will even play in the gym!

We have a special project to do together led by Becky Davis of RAD Canvas.

Mrs. Rodriguez had her surgery on May 2 and all went well. It is anticipated she will be home from the hospital by May 8.

Cards and pictures would certainly cheer her up! We can deliver or you can mail to 3140 Harrison, Brookfield IL 60513.
