Under the Sea and the letter S
Plus Lunar New Year**

Guests this week included Miss Fran and Pastor Mark along with our DCFS licensing rep who said she loved seeing the students engagement and hearing their laughter.

There was an extra emphasis on math and science with graphing and measuring different sea creatures. Letter and number recognition work continues too! In Spanish, vocabulary about love and family was covered along with reviewing days of the week, colors, and weather. It was so nice to get outside a little.

Next week we'll have a special guest Sarah the Triceratops for Dino Week and learn all about Groundhog Day Let's hope he doesn't see his shadow!
