

What a Week! October 4, 2024 Owls and Letter E

This week's highlights include learning *Itsy Bitsy Spider* in Spanish, making an owl fact book in STEAM, and a trip to our neighbor Ann Cairo to pick pumpkins in her yard.

Special guests included Miss Gigi, grandmother of former students, who shared her gift of music and Mrs. Teune, a D96 legend, with her (taxidermied) owl.

Spanish Vocab of the Week

Spider = arana
Little = chiquita
Big = grande
Up = arriba
Down = abajo
Dry = seco
Wet = mojado
Cold = frio
Hot = caliente

On Halloween students come in costume. As soon as we're settled, we have a parade where adults are stationed throughout the building handing out goodies. We will share some songs. Everything concludes about 9:30. Kids change into regular clothes and we go on with the day.

If you have tickets to share, please bring them by Tuesday. Thanks!

For 54 years, the preschool has adopted an animal from the zoo and it becomes our theme for the year. This year, it's Bunny the Reindeer! Also each year we take a short field trip to meet our animal. On Friday, October 11, we will not have school, and instead will meet at the zoo to meet Bunny. Note this kicks off a four day weekend and school resumes Wednesday, October 16.

The Zoo opens at 10:00 am. We will meet at Bunny's enclosure in the Hamill Family Wild Encounters at 10:15 am to learn about her. We wrap up our time about 11:15 am.
