

What a Week! September 20, 2024 River Life and Letter C

This week the kids nailed the schedule. They know exactly what we are doing day to day!

Guest readers, a visit from Pastor Mark to share LOVE, and a trip to the library made the week special. Email jkanatas@rpcusa.org to schedule a guest reader spot or to share an interest or talent.

The most remarkable wildlife was seen on the nature walk! A river snake catching fish!

SAVE THE DATE! ZOO FIELD TRIP, 10/11 @10am. An adult must accompany children. Please return the permission slip along with any extra tickets to share by Monday, October 7. Thank you!
