

What a Week! September 27, 2024 Apples and Letter D

This week's highlights include apple taste testing, learning apple parts, and an apple craft. Celebrating National Pancake Day on Thursday during snack was a big hit! It's always the littlest kiddo who eats the most pancakes!

Special guests included Miss Fran from the Riverside library, Nurse Mary teaching about germs and how to stay healthy, and Miles's Busia aka Miss Kathi with storytelling.
