

What a Week! October 2, 2026

Next week's theme is Zoo Animals! We will learn about all about our adopted axolotl in advance of Friday's trip to the Zoo. On Thursday, a bag will come home with everything you need for the adventure.

Special activities coming next week are a visit by a bunny and a walking trip to the library.

Change of Seasons = Change of Clothing

Now that fall is in the air, please send a pair of long pants and long sleeved shirt for your child's extra clothing bag and we will send home extra shorts and short sleeved items. Thank you!

Little Food Pantry

Each day when you arrive to school, you walk through RPC's Little Food Pantry. Ever wonder how you can support food insecure neighbors? Bring a canned good, box of pasta, box of granola bars, etc. with you once a week. Have a few minutes between when you arrive and when the door opens? There's a storage room where you will find items to stock the pantry and we have a preschool sized cart. Have your child fill the pantry outside. Thank you for considering the support of this mission.

Zoo Field Trip

*Friday, October 9, there will not be in-building school; instead we will meet at the zoo at 10:15 by the large gorilla statue just inside the north gate admission area. Children are to be accompanied by an adult; siblings and other family members are welcome to attend too. The field trip ends by noon. **Let Lynda know if you need admission tickets or have passes to share.***

Flu and Cold Season is already rearing its ugly head!

A reminder that the best defense is a good offense: frequent and thorough handwashing. If your child is sick, please keep them home until 24 hours fever free/no vomiting without medication to further help lessen the spread. Thanks!

Watch your email this weekend for info about Thanksgiving and Winter Break Camp registration!

Calendar Reminders

Friday, October 9; no in-building school (zoo)

Monday, October 12; no school (Indigenous Peoples' Day)

Friday, October 30; early dismissal (11:00 am)
