

What a Week! February 12, 2026

Theme: LOVE

Weekly Recap

SO. MANY. HEART PROJECTS! Have you noticed our board of hearts with compliments? Children took turns sharing what they like about classmates and teachers. Miss Fran read holiday themed books on Monday. Tuesday brought the dentist visit and during after lunch story time we read books about the tooth fairy. In Spanish, Miss Lupe taught Valentine vocabulary and we played Valentine's Day bingo to practice the words. It was a week of love!

A Look Ahead...

Space Week when we return on Tuesday! On Tuesday we will celebrate 100 Days! Wednesday is Picture Day and a visit from Miss Gigi to share her music. Thursday we're celebrating Chinese New Year in rotations with a special visit from Annie's mom who lived in China as a child. And Friday we're hoping to go to the Riverside Library. No moss under our feet!
