

What a Week! February 19, 2026

Theme: Outer Space

Weekly Recap

What a fun week we had! Celebrating 100 days with homemade trail mix. Picture Day. A visit from Miss Gigi for special music. A day of celebrating Lunar New Year with Annie's mom sarong about her childhood in China and feeding us dumplings, a book in Spanish about a girl who created a dragon for her classroom and recreating that illustration with a fine motor exercise of cutting and gluing. Outside play almost every day! Plus a pajama day!

A Look Ahead...

Theme of the week is Dinosaurs. Visitors are Miss Fran and Miss Kathi for story hour and Pastor Mark for social emotional learning and music. Dad's night on Thursday from 6:00 - 7:00 pm will include playtime in the classroom and gym, a craft, and sharing special songs just for dad.

Scottswood Singers - the community children's choir which includes several of our students - will be singing in 10:00 am Worship this Sunday. Visitors are always welcome! Join us afterward for a time of fellowship.

Calendar Dates to Note!

Friday, 3/27 - Field Trip/Early Dismissal

Monday, 3/30 - Monday, 4/6 - Spring Break

Friday, 4/24 - Grandparents' Day/Early Dismissal

A note about rest time:

We encountered several stuffie kerfuffles recently which makes for sad kids (and teachers). Let's try something new. Please select ONE stuffie to be their special school stuffie. Maybe it's something new. That can cuddled daily here until Spring Break and swapped out with a different School stuffie in April.

Four summer camp spaces have opened up. Help spread the word!
