

What a Week! September 25, 2026

Next week's theme is Riverside and River Life. Among the planned activities is a walk along the river for a scavenger hunt. The items we find will be turned into a special art installation. We have Dani's dad Brian Mack coming in as a guest reader on Thursday. We invite any/all parents to come read or share a special interest or talent. Contact Mrs. Kanatas joan@rpcusa.org to get on the docket!

Change of Seasons = Change of Clothing

Now that fall is in the air, please send a pair of long pants and long sleeved shirt for your child's extra clothing bag and we will send home extra shorts and short sleeved items. Thank you!

Welcome Miss Lauryn & Miss Tamara!

Miss Lauren will be working Fridays through the end of December. Miss Tamara will join us in January. She worked summer camp this year and is happy to be part of the preschool team for the winter/spring and camp in 2027.

Zoo Field Trip

Friday, October 9, there will not be in-building school; instead we will meet at the zoo at 10:15 by the large gorilla statue just inside the north gate admission area. Children are to be accompanied by an adult; siblings and other family members are welcome to attend too. We'll visit our adopte axolotl, Sir Mix-O-Lotl, and other animals native to Mexico. There will be an activity to complete together and we may have other special treats. The field trip ends by noon. Let Lynda know if you need admission tickets or have passes to share.

**Preschool families can bring donations
Tues. - Fri. at drop off or pick up!**
